

## Dear dog owners,

Your furry friend is welcome here only upon request. To ensure a harmonious coexistence, we ask you to ensure that your darling is well behaved and house trained.

Here is some important information for your stay with your dog:

**Leash requirement:** Please keep your dog on a leash throughout the hotel. This ensures the well-being of everyone, especially if there are other dogs in the hotel or some guests have great respect for dogs.

**24-hour entry and exit:** To ensure that you can go out with your dog at night without any problems, please use the entrance and exit in the basement (floor -1) via the elevator to the ski room. Towels are also available there at all times for wet paws.

**Everyone has to go for a walk:** Please take your friend for a walk in the nearby forest, about 200m from the hotel, to keep the area in front of the hotel clean. You will also find trash cans there.

**Hotel areas:** For hygiene reasons, dogs are not allowed in the entire wellness area and in the restaurant. We have the option of preparing 1-2 tables (please only on request) in the bar area. If this is not requested in advance, we cannot guarantee that you can bring your dog to breakfast and dinner.

**Alone in the room:** If your dog is left alone in the room during cleaning times, please inform us so that we can coordinate the cleaning with you.

**Sleeping place:** Please bring your dog basket or dog's favorite blanket with you. We ask that your dog stays on it, as the use of the bed and furniture is not permitted.

**Damage & soiling:** If the room is heavily soiled or damaged, we will have to charge a corresponding fee. If your dog lies on the bed or furniture, we kindly point out that we will charge you for cleaning the upholstered furniture or changing the bed linen. If we cannot clean the bed linen or similar, we will charge you the purchase price for new purchases. If several factors come together, we will also charge a final cleaning fee of 200.00€.

**Cost per night:** We charge 35,00€ per dog per night, excluding food.

**Muzzle requirement:** Please note that muzzles are mandatory on public buses and cable cars.

Thank you for your understanding. We are very happy to welcome you and your loved one! :)
